

**GMDA Resolution 95-1:
Dated: December 6, 1995**

Dean Pennington moved that the May 23, 1990 resolution be amended and re-adopted as GMDA Resolution 95-1 as follows:

WHEREAS GMDA desires to streamline the process of changing the secretarial position with respect to the association's financial accounts; and

WHEREAS the secretary must have access to all financial accounts, with the exception of special, short-term, banking accounts opened expressly for conference purposes; and

WHEREAS an additional signatory would be advisable for all accounts except for any short-term conference accounts;

BE IT THEREFORE RESOLVED THAT the approved GMDA secretary and the standing GMDA Resident be listed as signatories on all but the exempted, conference accounts, and that only one signature of these two signatories be required for any applicable financial account of the Association.

Arlond Garrett seconded the motion which passed unanimously.
